November is Alzheimer’s Awareness Month- wear Teal to the meeting in November!!! The 2024 Walk to End Alzheimer’s in Atlanta – is November 2nd – at the Battery at Truist Park. #Walk2EndALZ. If you can’t join the walk ---let’s do our part put on your teal shirt and walk on that day- around the neighborhood - or get a group together. Health and Wellness we will make a donation.

November is Alzheimer’s Awareness Month, a time to heighten awareness about Alzheimer’s disease and show support for the more than 6.2 million Americans living with it. There are a number of quick and easy ways you can help raise awareness, show support, and fight Alzheimer’s disease!

Why Teal?

Teal is the Alzheimer’s Awareness color of the Alzheimer’s Foundation of America (AFA). AFA uses teal because it has been shown in color psychology studies to be a calming color. This is helpful when designing and decorating spaces and events to be welcoming and comforting to those living with Alzheimer’s. So, next time you see someone dressed in teal, remember the more than 6 million people living with Alzheimer’s and the help they need.

Just wanted to provide an update on MaryLouise's sister - she is not getting any better. Hospice arrangements are being made to bring her home to be with the family and not in the hospital. Please keep MaryLouise and her family in your prayers.

Phyllis is not doing well either --- I dropped off a Halloween card and soft cookies --- please keep her in your prayers.
